BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

BELLSOUTH TELECOMMUNICATIONS, INC.'S)	
REQUEST FOR CONFIDENTIAL TREATMENT)	
OF INFORMATION FILED IN SUPPORT OF ITS)	CASE NO. 97-032
CONTRACT WITH THE COMMONWEALTH OF)	
KENTUCKY, FINANCE AND ADMINISTRATION)	
CABINET, FOR MULTISERV PLUS SM SERVICE)	

O R D E R

This matter arising upon petition of BellSouth Telecommunications, Inc. ("BellSouth"), filed January 23, 1997, pursuant to 807 KAR 5:001, Section 7, for confidential protection of the cost support data developed in connection with a special service arrangement contract with the Commonwealth of Kentucky, Finance and Administration Cabinet ("Finance Cabinet") for the provision of MultiServSM and MultiServ PLUSSM Service on the grounds that disclosure of the information is likely to cause BellSouth competitive injury, and it appearing to this Commission as follows:

BellSouth has contracted with the Finance Cabinet to provide MultiServ PLUSSM service. Provision of this service will replace a current contract for Digital ESSX service. BellSouth has provided cost information which it seeks to protect as confidential.

The information sought to be protected is not known outside of BellSouth and is not disseminated within BellSouth except to those employees who have a legitimate business need to know and act upon the information. BellSouth seeks to preserve and protect the

confidentiality of the information through all appropriate means, including the maintenance of appropriate security at its offices.

KRS 61.872(1) requires information filed with the Commission to be available for public inspection unless specifically exempted by statute. Exemptions from this requirement are provided in KRS 61.878(1). That subsection of the statute exempts several categories of information. One category exempted in paragraph (c)1 of that subsection is commercial information confidentially disclosed to the Commission which if made public would permit an unfair commercial advantage to competitors of the party from whom the information was obtained. To qualify for the exemption, the party claiming confidentiality must demonstrate actual competition and a likelihood of substantial competitive injury if the information is disclosed. Competitive injury occurs when disclosure of the information gives competitors an unfair business advantage.

Competitors for MultiServ PLUSSM Service are providers of PBX and other customer premises equipment. Public disclosure of the information sought to be protected would enable such competitors to determine BellSouth's cost and contribution from the services, which they could use in marketing their competing services to the detriment of BellSouth. Therefore, disclosure of the information is likely to cause BellSouth competitive injury and the information should be protected as confidential.

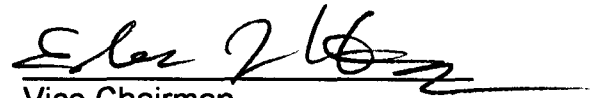

This Commission being otherwise sufficiently advised,

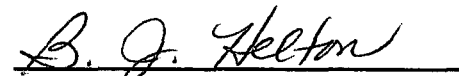

IT IS ORDERED that the cost data developed in connection with the contract with the Finance Cabinet for MultiServ PLUSSM Service, which BellSouth has petitioned to be withheld from public disclosure, shall be held and retained by this Commission as confidential and shall not be open for public inspection.

Done at Frankfort, Kentucky, this 6th day of February, 1997.
